

hi tell mee thank you yes yes problema with another my deaf same
vrs block many time failed i did callm teshinus support no
worry help still not work on or off dependen jow do it not
know founf my friend get information that cpmplait foe deaf
survu=ivng living that i tell true crs fast service that vrs
wait dependen i think company owner beacuse tax of loop
business and who deaf people still stuck with business that why
you know hear of people lot know law fast hear astory that deaf
no lot of know later too late information right where right for
deaf of people from vp from company information not all in
tell 100% looking 80% true tell that 20% off not tell beacuse
owner business not friendy business line vp that problema no
smoot that my wife said like it but later wait wait that
problema thnak you
